Employee Stock Ownership Program (ESOP)

We are proud that Axsome provides all team members a comprehensive and robust equity package. All team members receive Stock Options and Restricted Stock Units (RSUs) upon starting at Axsome and additionally receive annual grants. Equity is a key and significant piece of compensation because we believe all Axsome team members should be owners of the Company.

Employee Stock Purchase Plan (ESPP)

Axsome offers an Employee Stock Purchase Plan (ESPP) to all team members. The ESPP allows each employee to purchase Axsome stock at a 15% discount. This benefit gives each employee the opportunity to purchase additional ownership in Axsome above and beyond what is already owned through options and RSUs.

401(k) Plan

The savings plan is designed to allow employees to accumulate savings for retirement on a tax-advantaged basis. The company matching contribution under our savings plans equals 50% of the employee's contribution on the first 8% of eligible compensation (base salary, bonus, incentive compensation) that an employee elects to contribute. On the first of the month following their start date, team members are eligible to participate and will be fully vested after two years of employment.

Other Cool Stuff

The Axsome Advantage

Professional Development

We believe our team members should always be growing and learning. We are committed to providing pathways for our team members to continue their development professionally. These opportunities may take place in or out of the office. We encourage team members to speak with their managers about these opportunities and how they can continue to grow and learn at Axsome.

Lunch & Learns

Lunch & Learns are a time for the whole Axsome team to come together and learn about a specific topic, department or team member during the lunch hour. These occur once a month and can vary from a disease 101 session, Q&A, Fireside Chat, workshop, conversations with advocacy groups and clinicians, or a specific team member's journey to Axsome and their contribution to the team in their role.

Gifts for New Parents

Welcoming a child to the family is an exciting time for any parent and we want to make the journey even better. New parents will receive a congratulatory care package to get you started.

Year 5 Sabbatical

Axsome is proud to offer a five-week sabbatical for team members upon their fifth consecutive anniversary at the company to recognize their tenure and contribution to the team. This can be a time to refresh, spend time with family, serve the community, or even further your education.

Axsome Swag

We want you to feel like you're part of the team and that starts with looking the part. Axsome branded swag is provided on an employee's start date and as a yearly holiday gift.
